9. The children will have one hour inside the gym to play, explore and enjoy all that our venue has to offer including trampolines, a foam pit, ninja obstacle course, rock climbing walls, ropes, bars, beams and more! A gymnastics coach will be onsite to supervise for safety purposes, however, the session will be open play and not structured.
 - **Note:** If you would like a structured party that is run by our coaches, this will be an additional \$60 coach hire fee.
 - Children under the age of 5 years must be supervised by a parent or guardian at all times.
10. We will have two trestle tables with plain coloured table cloth set up in the area outside of the gymnastics boundary for your designated food area. Food and cake can be done in the last half hour of the party.

At the conclusion of your Party
